

new!

GO DIGITAL WITH **eGIFT CARD** BULK ORDERS

Allows you to “bulk” order eGift Cards that can be personalized and sent to recipients via email. Perfect for customers looking for instant rewards & incentives.

EASY ORDERING

A convenient web interface makes the ordering process simple, quick and secure. You can enter recipient information one at a time, upload a spreadsheet of email addresses, or simply order quantities of eGift Cards of specific denominations.

Once your order is placed and approved by you, your eGift Cards will be created and distributed according to the timetable you provide.

- SEND GIFT CARDS ONLINE FOR QUICK DELIVERY
- NO SHIPPING CHARGES
- PERSONALIZED MESSAGES
- CUSTOMIZABLE GIFT AMOUNTS
- NO INVENTORY MAINTENANCE OR RISKS

HIGHLIGHTS INCLUDE

FULL PERSONALIZATION

Including customized message and multiple design options.

IRON-CLAD SECURITY

You establish who has access to purchase, approve all orders, and determine when orders are sent.

DETAILED TRACKING AND REPORTING

Our reporting makes it easy to research individual eGift Card status and resend to different email addresses if the original address was undeliverable.

NO SPECIAL TECHNICAL REQUIREMENTS

The solution can be up and running right away, and you can access all functionality through any web browser.

SCALABLE

You can establish one or more internal purchase accounts for promotions, HR awards, customer care, warranties — in fact, all of the many applications for eGift Cards within your organization.
